

Moon Two

Moon Two - High frequency direct / indirect recessed luminaires are a range of high efficiency luminaires designed to accommodate PL-L & T5 fluorescent lamps. These are suitable for general lighting in retail & commercial applications.

- 3 year ballast warranty as standard and option to increase to 5 years.
- Direct/Indirect cover for soft illumination
- Mounting kits for plasterboard available upon request
- Emergency versions available upon request.
- Can help achieve LG7 compliance.
- Standard model not suitable for dimming but dimmable versions are available upon request.
- Supplied fitted with European branded control gear
