

Tegral 66 LED – GRP/Acrylic versions

Tegral 66 GRP and Acrylic versions– A range of IP66/Anti-Corrosive high efficiency LED battens complete with LED boards. They are suitable for general lighting in retail, commercial applications and suitable for outdoor use. Ideal for car parks, farmyards, storerooms, sheds etc.

- 5 year warranty .
- Assembled and tested in Europe using quality components.
- Detachable lightbar makes it a very easy product for maintenance, reducing the need to replace the fixture at end of life. Lightbar can be unplugged like a lamp and a new one installed.
- Emergency and dimmable versions available upon request.
- GRP body and Acrylic diffuser for better resistance to chemicals.
- Supplied with LED light source.
- Supplied fitted with stainless steel clips as standard.
